

# Orientation Checklist

## Billing

Review your billing information, financial aid award, and enrollment status with [Drexel Central](#)

## Check for COVID Updates

Review [Drexel's continued response to COVID-19](#) to learn more about the latest developments regarding our return to campus. [Download the Drexel Health tracker](#) to your personal device before returning to campus.

## Submit Your Immunization Records

Review your [Health Insurance & Immunizations requirements](#). Doctoral students with full-time assistantships/fellowships (teaching, research, etc.) should also review the [Health Insurance Subsidy](#) page and consult with your department advisor.

Full-time graduate students who are enrolled in Drexel's Aetna student health insurance plan are eligible to apply for the Health Insurance Deductible subsidy.

## Upload Your DragonCard Photo

Submit a photo online in advance for your [DragonCard student ID](#). Be sure to review the "DragonCard operations" section of this page first to learn more about picking up your card.

## Contact Disability Resources

Notify [Disability Resources](#) if you have any physical or learning disabilities. Drexel University is committed to providing equal access to its programs and services to qualified students.

## Join the Dragon Network

Join the "Public Health Community" on [Dragon Network](#) to begin networking with fellow classmates, alumni, faculty and staff.

## Stay Connected
